Developers also visit many conferences individually, including, but **not limited to:** GDCChina, Game Connection Europe, SBGames, IndiE3, Captivate Conference, Nordic Game Conference, XOXO Conference

SPECIFICATIONS

Due to the \$100 price point, the Ouya only has specs equivalent to a mobile phone.

- Tegra 3 - ARM Cortex-A9
- 1GB RAM
- 8GB on-board flash
- Wifi & Bluetooth
- LAN / USB / Micro-USB / HDMI

Ouya encourages hardware hacking, and making new peripherals.

Uses a modified version of Android

Ouya maintains several GitHub repos for a few of its open source components.
